

Attention all EPOCHS Athletes & Families!

The EPOCHS Athletic Department is excited to announce that we are continuing with online sports registration for the 2026-2027 school year! Thank you for your continued support as we make athletic registration more efficient and convenient for everyone. The platform we use is Arbiter Registration. It's a secure, free, and user-friendly platform that makes registering for athletics quick and easy. No more paperwork!

- Enter your information once for each family member and reuse it for multiple sports and seasons. The system safely stores your profile for future use.
- At any time, you may log into Arbiter at www.arbitersports.com to update your information and to check your registrations(s).
- If you need assistance with registration, contact Arbiter Support at support@arbitersports.com or 800-311-4060.
